CRITICAL TIME OF WOMAN'S LIFE

From 40 to 50 Years of Age. How It May Be Passed in Safety.

Odd, Va.:—"I am enjoying better health than I have for 20 years, and I believe I can safely say now that I am a well woman. I was reared on a farm and had all kinds of heavy work to do which caused the troubles that came on me later. For five years during the Change of Life I was not able to lift a pail of water. I had hemorrhages which would last for weeks and I was not able to sit up in bed. I suffered a great deal with my back and was so nervous I could scarcely sleep at night, and I did not do any housework for three years.

"Now I can do as much work as any woman of my age in the county, thanks to the benefit I have received from Lydia E. Pinkham's Vegetable Compound. I recommend your remedies to all suffering women."—Mrs. MARTHA L. HOLLOWAY, Odd, Va.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. We know of no other medicine which has such a record of success as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been the standard remedy for woman's ills.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (Confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

DEAD PHYSICIAN'S CAREER WAS NOTABLE

Venerable Dr. August Rauscher, Who Died Thursday, to Be Buried Sunday.

Dr. August Rauscher of Murray, who died Thursday at his home in South Cottonwood, had been a practicing physician in Utah since 1882 and was thereby listed among the pioneer medical practitioners of this state.

Dr. Rauscher was 79 years of age at the time of his death. He was born in Austria in February, 1833, and in 1855 graduated with high honors from the Medical and Surgical College of Vienna. Prior to that time he had been educated in various schools and following his graduation at the medical college added to his scientific training in various lines.

The veteran physician came to America in 1872 and to Utah in 1881, coming to this state to take charge of the production of lead at the Germania smelter in Murray. Though a graduate physician, Dr. Rauscher was an expert chemist and mineralogist. He remained in the employ of the Germania smelter until 1885, when he began active practice at Murray.

Dr. Rauscher maintained his office at Murray instead of establishing an office in Salt Lake, though he had one of the largest and most lucrative practices and was one of the best-known physicians in this section of the country. Until six years ago he continued a regular practice, and from that time maintained a high standing as a consulting physician.

Dr. Rauscher has been a widower since 1880 and since that time he had resided with a sister-in-law, Mrs. Marie Rauscher, a daughter of a Austrian survivor of the state and county medical societies and was licensed as a practicing physician in 1905.

Funeral services will be held at the late residence in South Cottonwood at 2 o'clock tomorrow afternoon. Friends will be welcomed at the residence from 10 a. m. until 2 p. m. tomorrow. The services and burial will be private.
